

Medic Mentor Student Privacy and Information Sharing Policy

Effective Date: 16/10/2023

Last Updated: 16/10/2023

Introduction

Welcome to Medic Mentor. We are committed to safeguarding the privacy of our students and ensuring that your personal information is stored securely. This Privacy and Information Sharing Agreement outlines the scope and limitations concerning the collection, storage, and sharing of your personal data within the Medic Mentor family.

By participating in Medic Mentor activities, you consent to the practices described in this Agreement.

Data Collection

We collect personal information that you provide voluntarily, which may include your name, contact details, educational background, and other pertinent data required for the efficient conduct of Medic Mentor programmes.

Data Storage and Security

All personal data collected will be stored securely, following best practices and guidelines, as well as legal requirements for data protection. We employ physical, electronic, and managerial procedures to protect against unauthorised access, alteration, disclosure, or destruction of your personal information.

Data Sharing within the Medic Mentor Family

For a student, the term 'Medic Mentor family' refers exclusively to Medic Mentor and their own school, college, or educational establishment, if it has partnered with Medic Mentor. Your personal information will only be shared within this scope for the purpose of delivering educational services, updates, and information relevant to the programmes in which you are participating.

Partner School Access

If your school has signed up to be a partner school with Medic Mentor, your school will have limited access to information related to your participation in Medic Mentor activities. This information is

intended solely to facilitate better educational support and to inform instructional practices. No other personal data will be shared with partner schools.

Changes to This Agreement

We reserve the right to update or modify this Agreement at any time, and any changes will be effective immediately upon posting. Continued participation in Medic Mentor activities will constitute your agreement to any revisions.
